Seminar paper from the year 2009 in the subject Politics - Political Systems - Germany, grade: 1, 0, Bilgi University stanbul (Bilgi University stanbul, Institute for European Studies), course: Politics of Ethnocultural Diversity, 18 entries in the bibliography, language: English, abstract: Germanys discourse about multiculturalism is marked by its contrariness. On the one hand, there are many attempts to implement the theory of multiculturalism in political practice. The slogan of Berlins integration concept in 2007 Vielfalt Frdern - Zusammenhalt Strken (Supporting Diversity - Strengthening Cohesion) aimed at the advertisement of the positive potential of the citys pluralist landscape. On the other hand, the media often issues headlines and statements of politicians who declare multiculturalism in Germany as unsuccessful. The mayor Heinz Buschowsky of Neuklln, a district in Berlin inhabited by about 30 percent migrants, with his rigorous conclusion Multiculturalism has failed. in 2005 caught the attention of the media. In these contradicting positions - the constant efforts to politically apply multicultural theory and then again the questioning whether multiculturalism is generally applicable in Germany - originates the interest to gain an extensive insight into multiculturalism practiced...
