The committee met, pursuant to notice, at 1:34 p.m., in room Sd-430, Dirksen Senate Office Building, Senator Edward M. Kennedy (chairman of the committee) presiding. Present: Senators Kennedy, Simon, and Wellstone. Opening Statement of Senator Simon Senator Simon presiding. The hearing will come to order. This is a hearing requested specifically by Senator Bennett Johnston, and we are pleased to have it. I am pinch-hitting temporarily for Senator Kennedy, who will be along before very long to join us for the hearing. The hearing is about sickle cell anemia, a very major problem in our country, and the question is whether we are doing enough research in this field. In the whole field of science, there is no one in the U.S. Senate who is as knowledgeable as Senator Bennett Johnston. I have to say in candor, I do not know if that applies to sickle cell...

Reviews

It is one of my personal favorite pdf. This really is for all those who state there was not a really worth looking at. I realized this book from my dad and I encouraged this pdf to understand.
