By Caroline Taggart

Reader s Digest Association, United States, 2014. Paperback.

Book Condition: New. Reprint. 194 x 126 mm. Language:

English . Brand New Book. This small but mighty collection will trigger your memory with fun facts you learned in school-from

adverbs to the Pythagorean Theorem. Witty, engaging, entertaining-a book you ll pick up again and again. Here is a light-hearted and informative reminder of the many things we

learned at school that have since been lost over time. Author Caroline Taggart discovered two things while researching this book and talking with other people. One, everybody had been

to school. And two, they had all forgotten entirely different things. Here, in this handy little book, are the facts that you learned in school but may not remember completely or

accurately. Covering subjects such as English Language, English Literature, Mathematics, Modern Languages, Biology, Chemistry, Physics, History, Geography, Religion, and Music, it will feature all the most important facts, theories, equations, phrases and rules we were taught all those years ago. You can

discover: - Mathematics: How to work out a quadratic equation

- History: That the first president to occupy the White House

was John Adams in 1800 - Geography: The capital of Chile...
