iUniverse, Inc. Paperback. Book Condition: New. Paperback. 110 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. This book reveals many instances of personal behavior and historical significance that contribute to the successful career of an individual in many different assignments during the cold war period that will pique your interest in the history of those times. A decorated combat leader, a proven business executive, the ability to organize, and a devoted family man are the attributes of this successful self made mans capability. From an early age, he has been able to make critical decisions which would result in his recognition as a leader in any arena he chose. His self-imposed principals of conduct led to richly deserved rewards and recognition and are a testimony to the character of this man. To thine own self be true is the theme expressed by the author throughout this narrative of his recipe for the success he has enjoyed and the recognition he has received in both his military and his business careers and as a role model for his children. The decisions arrived at throughout his life are the result of his character, honesty, and a genuine concern for the well being of others. -James R.
