He is fully sensible that this request was owing, not to any merit in the discourse, but wholly to the circumstances of peculiar interest in which it was delivered. It was prepared in much haste, and when he was unusually pressed by a multiplicity of anxieties and labors. It might therefore have been refused but for his earnest desire to leave nothing undone which might either gratify or profit that beloved flock from which he has parted with profoundest regret. That God may bless it to them, and that He may more and more abundantly bless them and theirs forever, will ever be the writer s earnest prayer.
