Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Whether you are a stay-home parent striving to prepare your child for preschool, or an early childhood professional who needs a boost in creativity; you will find a multitude of ideas and resources in this book to ensure your child receives the right start before entering the school environment. In this book, Sanders provides a host of ideas for hands-on activities to enjoy with your child in teaching them all of the basic concepts - shapes, colors, letters, and numbers. Your child will master these concepts very quickly through the songs/fingerplays, art/craft ideas, and the step-by-step instructions that Sanders offers. Children s brains are like little sponges. There is no limit to how much knowledge they can soak in, but it is the job of caring adults around them to ensure that no important information falls through the holes.
