From the days of 2006 When your life seems to have turned into a perpetual journey that crashes from one disaster to another, whats the perfect antidote A break from the norm. A chance to getaway. A holiday Or, even better a stag do! A couple of days away from the mundane grindstone of everyday living, doing some much needed male bonding! (Which is not gay, like it sounds, but is actually just two words used for excessive drinking and general male stupidity!) For Paul Day, its exactly what he needs. And surely, when youre away from home, then those disasters wont be able to follow you. . Taken from the comedy epic that is Paul Day Chronicles Happily After Ever!, this short adventure follows Paul Day to Nottingham, on his best friends stag do. Two days and nights of wild (well, as wild as a group of 30-odd year olds get!) activities and misdemeanors in a City where, supposedly, women outnumber men at a ratio of five to one! It should be the perfect getaway. Of course, that is unless Paul Days unique brand of life chaos decides it also wants a nice little trip to Nottingham. . . . This item ships from La Vergne,TN. Paperback.
