

## Ship Shape: Making Shapes Fly (Hardback)

By Donna Loughran

Norwood House Press, United States, 2013. Hardback. Book Condition: New. 222 x 190 mm. Language: English . Brand New Book. The mathematical concepts of naming plane, solid, and composite shapes are introduced as students enter a spaceship design contest. Readers learn to identify shapes by counting the sides and corners of flat shapes and naming the faces of solid shapes. This book includes a discover activity, an art connection, and a mathematical vocabulary introduction --.

### Reviews

*Thorough guide for pdf enthusiasts. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.*

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
