International Finance: Theory into Practice (Hardback)

By Piet Sercu

Princeton University Press, United States, 2011. Hardback. Book Condition: New. 257 x 180 mm. Language: English . Brand New Book. International Finance presents the corporate uses of international financial markets to upper undergraduate and graduate students of business finance and financial economics. Combining practical knowledge, up-to-date theories, and realworld applications, this textbook explores issues of valuation, funding, and risk management. International Finance shows how theoretical applications can be brought into managerial practice. The text includes an extensive introduction followed by three main sections: currency markets; exchange risk, exposure, and risk management; and long-term international funding and direct investment. Each section begins with a short case study, and each of the sections chapters concludes with a CFO summary, examining how a hypothetical chief financial officer might apply topics to a managerial setting. The book also contains end-of-chapter questions to help students grasp the material presented. Focusing on international markets and multinational corporate finance, International Finance is the goto resource for students seeking a complete understanding of the field. * Rigorous focus on international financial markets and corporate finance concepts * An up-to-date and practiceoriented approach * Strong real-world examples and applications * Comprehensive look at valuation, funding, and risk management *...

Reviews

Very good electronic book and valuable one. It is actually writter in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover. -- Prof. Jevon Frami

Here is the greatest pdf i have got read through till now. It typically will not charge excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning when you question me). -- *Eulalia Langosh*
