

Really, Really Big Questions About Science

By Marc Aspinall

Kingfisher. Hardcover. Book Condition: New. Hardcover. 64 pages. Dimensions: 10.5in. x 9.3in. x 0.5in. Prepare to exercise your mind as you investigate big ideas in Really, Really Big Questions About Science by Holly Cave, illustrated by Marc Aspinall. Cool illustrations, brainteasers, and quirky quotations add to the simple and fun question-and-answer format, introducing readers to life's important questions. What's in empty space if it's not empty? What makes something funny? Can elephants cry and what came first: the chicken or the egg? Get the answers to these questions and more in the fifth installment of the Really, Really, Big Questions series. The most common questions about living things, the weird world around us, inventions, and Earth are asked and answered through humorous writing, funky art, and fun features like optical illusions, quotes and mind-teasers. This item ships from multiple locations. Your book may arrive from Roseburg, OR, or La Vergne, TN. Hardcover.

Reviews

This type of ebook is everything and got me to seeking in advance plus more. it was written really completely and helpful. You won't feel monotony at any moment of your respective time (that's what catalogues are for about should you request me).

-- **Dr. Santino Cremin**

Completely essential go through ebook. It can be written in basic phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
