Komrad, MD, offers step-by-step guidance and support as you take the courageous step of helping a friend who might not even recognize that he or she is in need. He guides you in developing a strong course of action, starting by determining when professional help is needed, then moves you through the steps of picking the right time, making the first approach, gathering allies, selecting the right professional, and supporting friends or relatives as they go through the necessary therapeutic process to resolve their problems. Included are scripts based on Komrad's work with his own patients, designed to help you anticipate next steps and arm you with the tools to respond constructively and compassionately.
