Reviews

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

MX Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. In 1893, Dr. Watson and Conan Doyle published what they believed was the last Sherlock Holmes story, The Final Problem. The world was stunned, and The Strand Magazine rushed to fill the vacuum. Readers were soon introduced to a new detective, Martin Hewitt, as presented by Arthur Morrison. Although initially different than Holmes, Hewitt also showed a number of interesting similarities as wellFor many years, Martin Hewitt has been mostly forgotten, except in some Sherlockian circles, where it has long been theorized that he was a young Mycroft Holmes. However, recent evidence has come to light that Hewitt s adventures were - in fact - cases undertaken by a young Sherlock Holmes when he lived in Montague Street, several years before he would take up his legendary rooms in Baker Street with Watson. These volumes are the Complete Martin Hewitt Stories, taking Arthur Morrison s original publications and presenting them as Sherlock Holmes adventures. If you are a fan of Holmes, enjoy! And by all means, seek out the original Hewitt stories and enjoy them as well. The Game is afoot!.
