John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Journey, Luke Eastwood, This small volume contains a powerful message for these times of global capitalism, environmental destruction, and religious intolerance. In his first title, this controversial author focuses on achieving spirituality without the dogma and control of organised religion, using apt sources from across the globe to reinforce his points. The core teachings of Jesus, Muhammad, Moses, Buddha, Lao Tzu or any of those who were enlightened are exactly the same - they are about the nature of man, the nature of the universe and the nature of God. This book brings together the author's view of life combined with eclectic teachings from thorough out the world, in an attempt to bridge the religious divide.
