Your search for the answer to Healthcare Reform is over. This book is the one to read. Why? It is unique, concise, an easy read, informative, educational, and not bogged down by extra bulky text that only serves to thicken the book and confuse the reader. It doesn't waste your time with meaningless or superficial material. This book is written by a Board-Certified Physician specializing in Internal Medicine with many years of experience, an impeccable record, an analytical mind, and a lot of common sense. Instead of wasting time discussing the secondary and peripheral features of the chaotic ways of the Healthcare system, this Insider strips away the nonsense and simply educates the reader about the few core issues that are the REAL causes of the Healthcare mess. Only an insider of this caliber knows the real deal. His insight is astounding. This quick read gets right to the point. After you are done reading this book, you are guaranteed to know all you need to know to...
