Dredges and Dredging (Classic Reprint) (Paperback)

By Charles Prelini

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Dredges and Dredging It is an old and true saying that of making many books there is no end, and this is especially true in regard to engineering treatises, as each decade brings its improvements, and practices that are in vogue one year are almost obsolete within a few years. To-day, too, there is a great demand in the profession for books on practical subjects, as it is only in this manner that the young man is able to profit from the experience of his older brother. It is a singular fact that nearly every man feels that he is competent to carry on a job of earth or rock excavation, yet there is nothing more difficult than to do such work economically. Man since prehistoric times has been digging into mother earth, yet there is always something to learn regarding excavation work. The last word will never be said on the subject. In this treatise only one class of excavation is touched upon, namely, dredging. If one needs an excuse for offering to the profession...
