A wise and inspiring exploration of the connection between money and leading a fulfilling life. This compelling and fundamentally liberating book shows us that examining our attitudes toward money earning it, spending it, and giving it away can offer surprising insight into our lives, our values, and the essence of prosperity. Through personal stories and practical advice, global activist Lynne Twist demonstrates how we can replace feelings of scarcity, guilt, and burden with experiences of sufficiency, freedom, and purpose. Twist takes an honest and critical look at the extraordinary power that money wields over our lives and its profound and often destructive influence on our self-image and relationships. In a consumer society that glorifies the pitch, the sale, and the insatiable appetite for more as a measure of self-worth, *The Soul of Money* asks us to step back, to examine our relationship with money, to assess our connection with core human values, and to change this relationship and, in so doing, to transform our lives. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
