Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

E., F. R. S. Director-General of the Ordnance Survey, at the Same Place Four Years Afterwards: A Discour After having acceded to request, and printed, as follows, my recent discourse before the Edinburgh Photographic Society in a somewhat revised and extended form, I could not but recognise with more or less of dismay, that although my own ideas of my photographs at the Great Pyramid in 1865 have been from the first, that they were lamentably faulty, imperfect, and unequal - causing me to yearn, though in vain, through each succeeding year, for any opening whereby I might try to replace them with some better attempts - yet in this discourse I have been insensibly led on by the argument to be speaking almost all the time as it were in defense of these very photographs, or as though I thought much more highly of them than I really do.
