Reviews

This written book is fantastic. This can be for those who statte that there had not been a well worth reading. Your life period will probably be transform when you comprehensive reading this article ebook.

(Chanelle Roob)

SURVIVING THE TALENT EXODUS: NAVIGATE THE PERFECT STORM FOR GENERATIONAL CHANGE IN THE WORKPLACE

Parcam Press. Hardcover. Book Condition: New. Hardcover. 228 pages. Dimensions: 8.6in. x 5.8in. x 1.0in. January 1st, 2008 was an important date for the American workforce. It marked the date when tens of thousands of Baby Boomers began retiring from the workforce each year. Most organizations are not prepared for the coming perfect storm caused by this exodus, the relatively small numbers of Generation X to replace the leaving Baby Boomers, and the work attitudes of Generation Y. No business leader should be without the information provided in this book. Whether or not they are prepared for the shift currently occurring in the workforce, they will soon deal with a new reality. John Grubbs not only looks forward, he gives readers insights into what they can do today to prepare for the changes American business will struggle through in the coming years. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
