Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

DRAWN THAT WAY (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Tristan Weaver, accountant for a successful video game company, is in way over her head. Honestly answering a company-wide survey and criticizing the sexist stereotypes used in the company's games was enough to catch her boss attention. But speculating on his sex life within his earshot has unexpected consequences when her hot, but nerdy, boss invites her to model for him. Owner, artist and lead developer of Brecken Games, Rory Brecken, has a strict no fraternizing with employees rule. However, when he overhears Tristan's conversation with her friend about his rumored kinks and begins to suspect her curiosity about the submissive side of sex, he's more than a little tempted. When her interest is undeniably confirmed, he suggests a onetime only, colleagues-with-benefits hook-up. Though neither want a relationship, once isn't enough for either one of them. As their encounters become more intense, Rory makes a huge mistake that may cost him the woman he's coming to love.
