Lookingood Publishing, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.You can be successful, extremely successful simply by engaging your inherent creative POWER. It's true. Creativity is not solely for the artist or designer. It can be harnessed and developed by anybody. Creativity is about generating ideas so that you can be successful in all aspects of your life. Success is about MORE. More energy. More choices. More ideas. Typically your first idea is not worth keeping. As you create ideas, you increase the chances of discovering one worth pursuing. More ideas lead to better ideas. And generating ideas is fun. Remember how great you felt as a kid when you let your imagination run free? You can re-live that joyful time whenever you choose. There are numerous ways to rattle your brain into inspired, creative thinking. And many of them are based in ACTION. Performing specific activities will engage your latent creative energy quickly and effectively. It's not complicated. Are you interested in furthering your career, developing deeper relationships, or becoming a happier, more satisfied person? Then let the Creative Warrior share with you over 50 simple, yet powerful techniques to help you achieve what you want out of life.
